**DETAILED ACTION**

**Status of Claims**

1. This action is in response to the application filed on 24 December 2001.
2. Claims 1-4 have been examined.

**Claim Rejections - 35 USC § 103**

3. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

4. Claims 1-4 are rejected under 35 U.S.C. 103(a) as being unpatentable over Burke (US 6,088,682 A) in view of GIVING CENTER AFFILIATE PROGRAM (24 August 2000).

**Claims 1-4:**

Burke discloses charitable giving in the form of donating a portion of transaction proceeds to charities. Although Burke does disclose mutual fund contributions, Burke does not specify how portions of mutual funds are donated. GIVING CENTER AFFILIATE PROGRAM, however discloses giving a portion of stock and mutual fund proceed to a charity based on a percentage arrived at by a plurality of methods. It would have been obvious to combine Burke with GIVING CENTER AFFILIATE PROGRAM because giving portions of stocks and mutual funds to charities in a wide variety of alternative percentages or recurring deductions encourages participation in the program.
